CheckFree® Small Business

A Comprehensive Online Accounts Payable Solution

Small business banking is a historically underserved market that offers significant growth opportunities for financial institutions. A typical small business carries higher balances, utilizes more services and welcomes the services you provide to streamline their operations.

Fiserv is driving innovation in Payments, Processing Services, Risk & Compliance, Customer & Channel Management and Insights & Optimization. Our solutions help clients deliver financial services at the speed of life to enhance the way people live and work today. Visit [fiserv.com](https://www.fiserv.com) to learn more.

Good for Small Business Clients, Great for Your Institution

Small business owners value technology that saves them time and money. CheckFree Small Business from Fiserv delivers organizational tools, financial management control and time-saving features that small businesses need, and helps you harness the small business market with a comprehensive online accounts payable solution.

Built on our industry-leading electronic bill payment platform, CheckFree Small Business is a seamlessly integrated, fully branded extension of your online banking experience.

Payments Made Easy

CheckFree Small Business combines a variety of features including e-bills, faster payment capabilities and bill reminders

into one powerful platform. Small business owners can manage all primary financial activities from a single website without hassle. Reminders and email alerts keep them on top of upcoming payment events.

Proven Results

Used by nearly one thousand financial institutions, CheckFree Small Business is proven to drive significant revenue growth, competitive advantage and consumer loyalty. This industry-leading solution combines the features that small businesses want with the tools that financial institutions need to attract and retain them.

Key Features

- A one-stop bill pay dashboard
- Industry leading e-bills, connecting businesses to hundreds of billers
- Automatic payment options
- Accounts payable invoicing to pay multiple invoices and include details with payments
- Tiered authority levels, so owners can delegate tasks without losing control
